Situated in the countryside of Boliqueime, an exceptional parcel of land awaits, complete with an approved project for crafting a charming boutique rural tourism resort.

This exceptional opportunity presents the possibility of constructing an owner's residence, thoughtfully designed to encompass a comfortably sized bedroom en suite, a welcoming living room, a well-appointed kitchen, and a convenient WC. Adjacent to this, an inviting entertainment space, perfectly suited for serving breakfast or hosting a variety of events, adds to the allure.

Envisioned within the project is an expansive swimming pool, accompanied by a covered lounge area. Moreover, the addition of roof terraces boasting breathtaking vistas, a captivating fire pit, and numerous intimate seating nooks, all contribute to the creation of an enchanting ambiance.

The architectural blueprint encompasses:

- 2 studios, each equipped with a convenient kitchenette and seamless access to a private terrace or garden space.
- 1 thoughtfully designed house featuring a single bedroom and its own private garden haven.
- 5 cozy cottages, each graced with an en suite bathroom and the privilege of accessing a private garden or tranquil terrace.

The blueprint is not only meticulously planned but also embraces the potential for growth. A reputable builder has already been engaged, with quotes in place. As an added advantage, future plans could involve securing a license to introduce safari tents, thereby expanding the scope for additional rental revenue.
