Always wanted to live among the vineyards? Enjoy a good glass of wine on your own terrace? This is a great opportunity for you then! This unique project near Carvoeiro is just been on the market. Construction has already started and will be completed within a few months. The project consists of 32 modern bungalows with one bedroom, luxury bathroom, living room with a luxurious open kitchen and terraces. It really is a unique setting in the middle of the vineyard and the homes have a luxurious, modern feel. A communal swimming pool with a bar/restaurant is also built and all facilities and workshops of the vineyard are also accessible.

This turn-key project is the true combination of a holiday home and an investment project.
Located on the estate itself and surrounded by picturesque vine-covered hills, offers unparalleled peace and tranquillity.
Located on the outskirts of Carvoeiro, a selection of local restaurants, services, and beaches are just a short drive away.
Ferragudo and Portimao are as well on a short drive away. Faro airport is 45 minutes and the award-winning Golf resorts are within 5 minutes drive.

There are 2 types of bungalows: suites and the villa suites. The first row, the villa suites, are in front of the vineyards and have great views. Most of them are south or south-east facing. This type (first row) are the bigger ones, 52m².
The houses have private terraces in front and at the side with a pergola for great outside dining. The living is very bright and has an open plan luxury kitchen, bathroom with shower, toilet, bidet, and sink.

The other smaller houses are on the second and third-row and have the same layout but in total 42m².
They are using high-quality materials and the finishings are very nice.
